INVITATION
Scientific meeting

21 SEPTEMBER 2013

8th NEW HORIZONS IN HAEMATOLOGY CONFERENCE

A scientific conference where highly reputed haematologists will present current advances in genetics and their implications for the future management of patients with myeloproliferative neoplasms.

The 2013 conference will be a digital event where different cities across Europe will be interconnected.
Scientific meeting New Horizons in Haematology
21 September 2013, Clarion Hotel Arlanda Airport, Stockholm

You are welcome to attend the meeting at Clarion Hotel Arlanda Airport, Stockholm. Register your interest to Bengt Anderberg Field Product Manager, Shire Denmark by sending an e-mail to banderberg@shire.com or by phone: + (45) 22 303 712. Please respond before 1 September at the latest.

You can also follow the webcast from your own computer without having to attend the meeting in Stockholm.

Register for the webcast by contacting Bengt Anderberg Field Product Manager, Shire Denmark either by e-mail: banderberg@shire.com or phone: + (45) 22 303 712 or by going to ShireHaematology.com

Preliminary Agenda Saturday 21 Sept

8.30 - 09.00  Drop in coffee & sandwich
9.00 - 10.00  The quality of life is decreased in patients with myeloproliferativ neoplasms
                Peter Johansson, Uddevalla
10.00 - 11.00  HemInsight - a novel system for patient-reported outcome (PRO) assessment in hematology
                Christen Lykkegaard Andersen, Copenhagen
11.00 - 13.20  Interactive webcast
                Identifying distinct patient profiles in MPN: A move towards tailored solutions?
11:00 - 11:10  Welcome & Introductions
                Dr. S. Jarvis GP, Healthcare Reporter (BBC Radio), UK
11:10 - 11:40  Identifying genetic markers: Implications for patient’s today and tomorrow
                Prof. S. Constantinescu Ludwig Institute for Cancer Research, Belgium
11:40 - 12:10  Rethinking diagnostic criteria in day-to-day practice
                Prof. J.J. Kiladjian Clinical Investigation Centre Saint-Louis Hospital, France
12:10 - 12:40  True ET and PMF: Practical considerations for patients
                Prof. T. Barbui Division of Haematology Riuniti Di Bergamo Hospital, Italy
12:40 - 13:20  Does the clinical evidence support a tailored patient approach?
                Prof. G. Birgegård Division of Medical Sciences, Haematology, Uppsala University, Sweden
                Prof. M.F. McMullin School of Medicine, Dentistry and Biomedical Sciences Queens University, UK
13:20 - 14:00  Lunch
14:00 - 14:45  Workshop Patient cases
14:45 - 15:00  Summary and closure
